## FUSION KIT 05

The bold and eye-catching Formulate® Fusion 20 x 20 island exhibit Kit 05 is an ideal solution to attract visitors to your space at tradeshows, special events and more! Rental Formulate fabric exhibits combine lightweight, easy-to-assemble rented aluminum tube frames with purchased pillowcase fabric graphics for an unforgettable, budget-conscious and time-saving solution.

## TREE HOUSE

Formulate® Tree House rented fabric display is a cylindrical-shaped tube structure that is perfect for meetings, graphical displays, theater settings and more. Two 7' tall doorways encourage traffic flow throughout, and there is plentiful space for messaging on the custom-printed fabric graphic.

Renting is easy - simply select the exhibit that fits your needs, design graphics to dress the display, and you're ready to showcase your brand. The only time investment is in the design and printing of purchased graphics, making it simple to obtain an impactful exhibit in a short period of time. All Formulate rental display frames and purchased graphics are proudly manufactured and printed in the USA. Count on making an unforgettable impact with a rental Formulate exhibit kit.
