Renting is easy – simply select the 20' x 20' island exhibit that fits your needs, design graphics to dress the display, and you're ready to showcase your brand. The only time investment is in the design and printing of purchased graphics, making it simple to obtain an impactful exhibit in a short period of time. All Hybrid Pro Modular rental display frames and purchased graphics are proudly manufactured and printed in the USA. Count on making an unforgettable impact with a rental Hybrid Pro 20' x 20' island exhibit kit.
