

POPUP Oval Podium Instructions

1. Unpack items from shipping case. Lay frame and magnetic bars on floor. Expand and pop up frame to about 40" tall.

2. Install all 12 magnetic channel bars (this will secure the height of the frame). Be sure not to overlap bars over high point of RED frame hubs as indicated in Fig. 3.

3. OPTIONAL: Install all interior shelving. TIP: slide in at an angle as shown to fully seat the shelf.

4. Starting at one end cap attach on front magnetic wrapping into back. Complete 2nd end cap. Move next to the center panel(s).

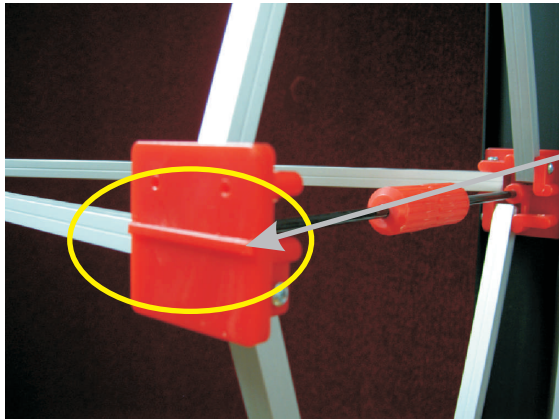

5. Install both Counter top velcro bars to top ORANGE frame hubs See Fig. 7

6. Lay counter top and engage velcro to secure counter top to frame.

**NOTE: DO NOT KINK OR
USE ROUGH TREATMENT
ON GRAPHIC OR FABRIC PANELS.**

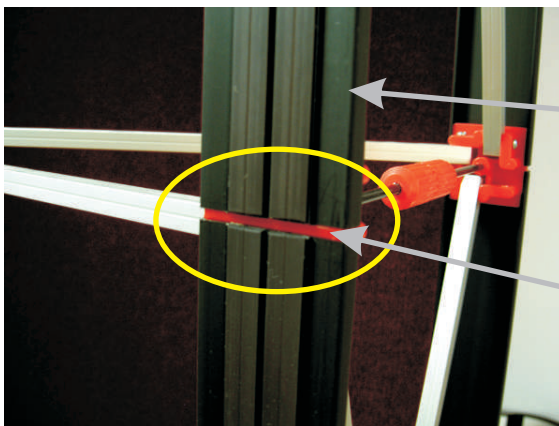

POPUP Oval Podium Instructions

When mounting plastic magnetic channel bars do not cover high point on frame block. If covered frame will not square up properly and panels will not sit evenly on frame.

Note: Red block shown but applies to all blocks on frame red and black.

Plastic magnetic channel bars

Correct placement of channel bars mounted to block. High point on block must not be covered with channel bar.

Congratulations on the purchase of your
1UP Premium Pop-Up Display.
