

FABULOUS FORMULATE®

FABRIC EXHIBITS

FMLT-WH20-01

Off-The-Shelf 20' Backwall with Ladder Accents

Formulate® tension fabric backwalls are stylish, versatile display solutions perfect for use at trade shows and events, in retail and corporate spaces, or as step-and-repeat backdrops. Formulate® backwalls combine slip-over pillowcase fabric graphics with easy-to-assemble aluminum tube frames and optional accents for displays that are both functional and eye-catching.

With a wide variety of 8', 10' and 20' backwalls available, including straight, horizontal, vertical and serpentine curved configurations, it is easy to find the backwall that fits any need. Easily convert 20' backwalls to 10' configurations with minor hardware changes and a new graphic to extend the function and budget!
