

# SLEEK, MODULAR VECTOR FRAME™ DISPLAYS

DESIGN #672638  
VF-K-07 & VFC-06

We offer a wide variety of Vector Frame™ modular displays – from tabletop to 10' and 20' inline exhibits and kiosks, light boxes and banners. Vector Frame displays are easy to assemble, reconfigurable and customizable. Displays marry aluminum extrusion frames with silicone edge push-fit fabric graphics and accents such as monitor mounts, back-lighting, counters and more to create attention grabbing solutions. It is simple to find the Vector Frame display for any situation!
