

Panel Table Top

PROMOTer™

This traditional panel display sets up in minutes, simply place on table and unfold to desired configuration. Continuous full 360 hidden hinge creates a seamless look and simplifies set up. The rigid protective frame and reversible panels allows for another color fabric (no charge) makes this display cost effective and versatile. Each panel weighs only 5 lbs. Accessories include stem lights, backlit headers, arch top signs, rounded end caps, shipping cases and more.
