

# Printed Custom Big Check

## Product Parts

1- Corrugated big check

## Check Set-Up

### Step 1

Remove the custom big check from its protective plastic bag.

### Step 2

No assembly required.

### Step 3 (if applicable)

Dry erase laminated big checks will allow you to write anywhere on the check surface.

## Storage

### Step 1 (if applicable)

Wipe clean the dry erase laminated surface.

### Step 2

Place in supplied protective plastic bag. ITEM MUST BE STORED FLAT IN A COOL, DRY PLACE.

## Care

We recommend you store flat and unfolded (slid under a desk or bed etc.)

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
