

Silent Seller Banner Stand Instructions

BANNER STAND COMPONENTS

(Fig. 1)

(Fig. 3)

(Fig. 4)

1. Take base and pole out and set on table.
2. Start to open the stand with the stand in a C shape facing downward and the banner pins facing downward also (Fig. 1).
3. While holding the pole steady, use free hand to insert the pins into the banner holes starting at the top right corner, to the bottom left corner, to the top left corner and last to the bottom right corner - YOU WILL BEND THE STAND A BIT WITH FORCE TO INSERT BANNER INTO HOLES! (Fig. 3)
4. See side view image (Fig. 4) for how stand will look when finished.
5. Set banner stand in desired location on table for the remainder of it's use.

To Reposition

Un-hook and then re-hook to reposition.-

NOTE: DO NOT KINK OR USE ROUGH TREATMENT
